CARRIED

3.3. Closed Meeting

Moved by: S. Lee
Seconded by: L. Bower

That the minutes of the Closed Meeting of Council held on May 21, 2026 be adopted.

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

Opposed: None

CARRIED

With the consent of Members present, Item 14.1 was advanced in the order of business.

14. Closed Session

Moved by: M. Crawford

Seconded by: L. Bower

That Council convene to a Closed Session pursuant to Section 239 (2) of the Municipal Act, 2001, as amended:

- To discuss a trade secret or scientific, technical, commercial, financial or labour relations information, supplied in confidence to the municipality or local board, which, if disclosed, could reasonably be expected to prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organization [Sec. 239(2)(i), Municipal Act, 2001, as amended]; and
- To discuss a trade secret or scientific, technical, commercial or financial information that belongs to the municipality or local board and has monetary value or potential monetary value [Sec. 239(2)(j), Municipal Act, 2001, as amended].

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

Opposed: None

CARRIED

Open Meeting (2:25 p.m.)

Council recessed at 2:25 p.m.

Council resumed at 2:35 p.m.

14.1. Habitat for Humanity Partnership Proposal

Moved by: S. Collier

Seconded by: L. Bower

1. That Council support, in principle, partnering with HFH on an affordable housing development in Ajax; and
2. That Council delegate authority to the Chief Administrative Officer (CAO) or designate to determine whether the Town's conditional funding support should be allocated to one of the two properties under consideration based on proper due diligence and overall public interest; and
3. That subject to the determination of a site in Ajax by the parties, and negotiation of any necessary agreements to the satisfaction of the CAO or designate, Council approve funding:

- a) Up to \$7,000,000 to support land acquisition costs for the final selected site from the Building Faster Fund (BFF), Housing Accelerator Fund (HAF) and Strategic Initiatives Reserve; and
 - b) Up to \$2,000,000 to support project advancement costs for the selected project, including eligible predevelopment, due diligence, design, planning, engineering, legal, environmental, servicing, costing, financing, municipal approvals, development management, infrastructure, or other eligible project-related costs from a future Town's Housing Accelerator Fund allocation and/or Strategic Initiatives Reserve; and
4. That the release of any funding be conditional upon HFH satisfying the CAO or designate in their discretion, with respect to the following:
 - a) The site selected;
 - b) The proposed number, type, tenure, affordability level, and duration of affordability for the affordable housing units to be delivered;
 - c) Confirmation of the preliminary project budget; and
 - d) HFH obtaining a satisfactory binding agreement for ownership for the final selected site (e.g. a conditional agreement of purchase and sale); and
 5. That subject to satisfaction of the conditions set out in this resolution and the applicable funding agreement or agreements, the Director of Finance/Treasurer be authorized to advance the approved funding for land acquisition to HFH's legal counsel in trust by no later than Friday, July 31, 2026 to facilitate closing by Tuesday, September 1, 2026 or as soon as all closing conditions have been satisfied; and
 6. That subject to closing, that the CAO, or designate, be authorized to enter into a transfer payment agreement for \$2,000,000 to prioritize and advance the development, per the following milestones:
 - a) \$500,000 on October 1, 2026;
 - b) \$500,000 on December 1, 2026;
 - c) \$500,000 on February 1, 2027; and
 - d) \$500,000 on April 1, 2027; and
 7. That Council direct the CAO, or designate, to expedite the relevant approvals and consider the application of reductions or waivers of municipal fees and charges, where permitted and applicable, to further support the achievement of project affordability and overall project outcomes; and
 8. That staff be authorized to take such further steps as may be necessary to implement this resolution, including confirming eligible funding sources, coordinating with provincial and federal funding programs, supporting applicable planning or development review processes, supporting fee, tax and charge relief implementation where deemed possible and appropriate, and coordinating the public announcement with HFH.

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

Opposed: None

CARRIED

4. Question Period

Mayor Collier invited questions on agenda items from those present.

5. Delegations, Presentations, and Public Meetings

5.1. Presentation: The Board's Commitment to Engage with the Community

Mayor Collier delivered a presentation related to The Board's Commitment to Engage with the Community on behalf of Durham Regional Police Service Board.

Council Members asked questions related to the presentation. Mayor Collier and Bill Clancy, Executive Director, Durham Regional Police Service Board, responded to questions from Council Members.

5.2. Presentation: Equity, Diversity and Inclusion Strategic Framework

Marycarmen Lara Villanueva, Equity, Diversity and Inclusion Advisor, delivered a presentation reviewing the contents of the written report and recommendations contained therein.

Council Members asked questions related to the presentation. M. Lara Villanueva responded to questions from Council Members.

With the consent of Members present, Item 8.1 was advanced in the order of business.

8. Departmental Reports

8.1. PSA-2026-15: Draft Equity, Diversity & Inclusion Strategic Framework

Moved by: S. Lee
Seconded by: L. Bower

1. That Council approve, in principle, the draft Town's Equity, Diversity and Inclusion Strategic Framework (ATT-1); and
2. That Council direct Public and Strategic Affairs to complete consultation on the Town's Land Acknowledgement and finalize the Town's Equity, Diversity and Inclusion Strategic Framework (ATT-1).

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

CARRIED

5. Delegations, Presentations, and Public Meetings

5.3. Presentation: Celebrating the 50th Anniversary of the Visit of the 8th HMS Ajax

Samantha Paterson, Supervisor of Government and Council Relations, delivered a presentation related to Celebrating the 50th Anniversary of the Visit of the 8th HMS Ajax.

Council Members asked questions related to the presentation. S. Paterson responded to questions from Council Members.

5.4. Public Meeting: Ajax GO Station Secondary Plan – Final Official Plan Amendment and Zoning By-law Amendment

Mayor Collier declared the meeting to be a public meeting and invited comments and questions from the public.

John Albert, Registered Professional Planner, Innovative Planning Solutions spoke

on behalf of applicant/owner VanDusen Realty Holdings Corp. J. Albert delivered a presentation related to the proposed development applications.

Council Members asked questions related to the presentation. J. Albert, Geoff Romanowski, Director of Planning & Development Services, and Caroline Murphy, Senior Planner, responded to questions from Council Members.

There being no further questions or comments from the public, Mayor Collier closed the public meeting.

With the consent of Members present, Item 8.5 was advanced in the order of business.

8. Departmental Reports

8.5. PDS-2026-18: Ajax GO Station Secondary Plan – Final Official Plan Amendment and Zoning By-law Amendment

Moved by: S. Collier
Seconded by: S. Lee

1. That the Report dated June 22, 2026, entitled “Ajax GO Station Secondary Plan – Final Official Plan Amendment and Zoning By-law Amendment” be received for information;
2. That Council adopt the Town-initiated Official Plan Amendment Number 99 (OPA26-A6) included as Attachment 1 (ATT-1) to this report, which implements Mayoral Direction Number 01-2026 and information presented to Council on February 17, 2026 on the Ajax GO Station Secondary Plan, and includes additional amendments for consideration as outlined in section 2.6 of this report to reflect feedback received through public and stakeholder consultation;
3. That Council, in accordance with s. 26(7) of the Planning Act, determine, and if satisfied, declare through resolution that the Official Plan Amendment is consistent with the Provincial Planning Statement, 2024, has regard to matters of Provincial Interest outlined in Section 2 of the Planning Act, and does not conflict with any Provincial Plan; and
4. That Council approve the Town-initiated Zoning By-law Amendment Z11/26 included as Attachment 2 (ATT-2) to this report, which implements Mayoral Direction Number 01-2026 and information presented to Council on February 17, 2026 on the Ajax GO Station Secondary Plan, and includes additional amendments for consideration as outlined in section 2.6 of this report to reflect feedback received through public and stakeholder consultation.

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

CARRIED

8.4. FIN-2026-14: 2026 Financial Sustainability Update – Amendment Review

Mayor Collier noted that Item 8.4 had been withdrawn.

9. Regional Councillors’ Report

None.

10. Business Arising from Notice of Motion

10.1. Reducing Speed Limits on All Interior Roads to 40 km/h

Councillor Henry and Councillor Tyler Morin introduced the motion and reviewed its contents. Council Members asked questions related to the motion. Councillor Tyler Morin and Councillor Henry, responded to questions on the motion from Council Members.

Moved by: N. Henry
Seconded by: R. Tyler Morin

Whereas the Highway Traffic Act establishes a default statutory speed limit of 50 km/h on municipal roads unless otherwise prescribed by by-law; and,

Whereas municipalities across Ontario are increasingly adopting 40 km/h neighbourhood speed limits as a Vision Zero measure to reduce pedestrian injury severity, particularly for children, seniors, and persons with disabilities; and,

Whereas Ajax continues to receive a high volume of resident concerns regarding speeding on local roads, particularly near parks, schools, and residential areas; and

Whereas a modernized review is required to determine the feasibility, costs, operational impacts, and enforcement implications of adopting a 40 km/h speed limit on all interior roads in Ajax; and

Whereas the recommendation to review the adoption of a 40 km/h neighbourhood speed limit originated from the June 4, 2026, Ajax-Pickering Road Watch Meeting and this motion has been reviewed and approved by their committee.

Therefore, be it resolved:

That Ajax Council directs Transportation Planning staff to prepare a report on the feasibility of reducing the speed limit on all local roads in the Town of Ajax to 40 km/h including signage requirements, cost estimates, a review of implementation models, options for phased implementation, any required amendments to existing town bylaws, and recommendations for next steps to be presented at the January 2027 Council Meeting.

In Favour: Regional Councillor Crawford, Councillor Tyler Morin, Councillor Henry, Councillor Bower

Opposed: Mayor Collier, Regional Councillor Lee, Regional Councillor Dies
CARRIED

10.2. Sale of Town Owned Lands Adjacent to 14 Ontoro Boulevard

Mayor Collier and Regional Councillor Crawford introduced the motion and reviewed its contents. Council Members asked questions related to the motion. Mayor Collier and Dave Meredith, Director of Operations & Environmental Services, responded to questions on the motion from Council Members.

Moved by: S. Collier
Seconded by: M. Crawford

Whereas , the Sylvan Drive unopened road allowance is located off Ontoro Boulevard, along Ajax's waterfront; and,

Whereas the property owner of 14 Ontoro Boulevard has, over a prolonged

period, expressed interest in acquiring a portion of Sylvan Drive, located to the immediate east of their property; and,

Whereas once the property is sold, an easement in favour of the Town over the subject lands would continue to provide the Town with access to the waterfront and allow the Town to maintain the storm outlet that currently exists.

Therefore, be it resolved:

1. Ajax Council delegate authority to the Deputy Chief Administrative Officer and Corporate Services staff to negotiate and execute the sale of a portion of Sylvan Drive, as indicated in the image in ATT-1, to Jim Kelly; and
2. The agreement of sale shall be dependent on an easement agreement which shall include terms and conditions as the Town deems appropriate to protect its access rights, including restrictions on the placement of structures, fences, boulders and any other obstructions that may interfere with the Town's use of the easement.; and
3. The purchase price be determined by an appraisal to be commissioned by the Town, the cost of which shall be reimbursed by the purchaser; and
4. The purchaser reimburse the Town's reasonable costs incurred relating to the completion of a survey, preparation of a 40R Plan, and legal costs incurred to process and close the transaction; and
5. Following the preparation of a 40R Plan, which outlines the lands to be sold, the by-law to authorize the stop-up and close of the affected portion of Sylvan Drive be brought for consideration at a future meeting of Council.

In Favour: Mayor Collier, Regional Councillor Crawford, Councillor Tyler Morin, Regional Councillor Lee, Councillor Henry, Regional Councillor Dies, Councillor Bower

Opposed: None

CARRIED

10.3. Advocating for Provincial Regulatory Modernization to Enable Access to Federally Authorized, Consumer-Grade Hearing and Assistive Listening Technology in Ontario

Councillor Henry and Regional Councillor Crawford introduced the motion and reviewed its contents.

Moved by: N. Henry
Seconded by: M. Crawford

Whereas the Town of Ajax Accessibility Advisory Committee passed a motion at its May 20, 2026 meeting recommending Council to advocate for inclusion and equitable access to affordable assistive hearing technologies for all Ontarians; and,

Whereas hearing loss affects millions of Ontarians and has significant impacts on communication, safety, employment, and quality of life; and Whereas, the Ontario Association of Professional Audiology Clinics (OAPAC) and Speech-Language & Audiology Canada (SAC) have stated that while lower-cost hearing support options can benefit consumers, individuals experiencing hearing loss should first consult a regulated audiologist, as symptoms may be caused by conditions ranging from wax build-up to more serious medical issues such as tumours, which consumer devices cannot diagnose; and Whereas, Apple and other technology manufacturers have developed low-risk assistive hearing features-such as sound amplification, personalized audio based on a user's hearing profile, and built-in hearing assessments-including Apple's Hearing Test and Hearing Aid features available on compatible AirPods devices that are

enabled in many jurisdictions globally, allowing consumer devices like AirPods to function as assistive listening tools for adults 18 years of age and older with perceived mild to moderate hearing loss; and,

Whereas on December 11, 2024, Health Canada issued Class II Medical Device Licences (MDLs) for Apple's Hearing Aid Feature and Hearing Test Feature, and by February 10, 2026, Apple's Medical Device Active Licence Listing (MDALL) included updated firmware and software components, confirming that the technology has received federal medical device authorization; and

Whereas Health Canada's approval confirms that the devices meet applicable federal medical device safety, manufacturing, and quality-control standards, but Canada currently lacks a fully implemented access framework specific to over-the-counter (OTC) hearing aids, and access to hearing devices remains subject to provincial and territorial rules; and

Whereas Ontario's current regulatory and dispensing framework for hearing devices does not clearly accommodate the OTC, user-controlled model of federally authorized, consumer-grade hearing and assistive listening features; and

Whereas the Province of Ontario has launched consultation on allowing the sale and use of certain over-the-counter hearing aids, creating a timely opportunity for municipalities to advocate for a safe, accessible, and modern provincial pathway; and

Whereas Apple currently states that the Hearing Test and Hearing Aid features are unavailable in Canada due to regulatory restrictions, despite the technology having received Health Canada medical device authorization; and

Whereas emerging technologies such as software-enabled hearing aid and assistive listening features have the potential to significantly improve accessibility in public and private spaces, yet major device manufacturers have not enabled this functionality on widely used devices in Ontario due to regulatory restrictions and uncertainty; and

Whereas without provincial modernization, Ontario risks falling behind global accessibility standards, limiting access to affordable assistive listening tools and hindering progress toward inclusive environments.

Therefore, be it resolved:

1. That the Town of Ajax formally requests that the Province of Ontario, specifically the Minister of Health and the Minister for Seniors and Accessibility, expedite and complete its current review of provincial regulations governing hearing-related technologies, with the goal of establishing a clear pathway for enabling federally authorized, low-risk, over-the-counter hearing aid and assistive listening features embedded in consumer devices. This review should include consideration of:
 - a. A clear provincial access pathway for federally authorized, low-risk OTC hearing aid and assistive listening features, including software-enabled features embedded in consumer devices.
 - b. Alignment with federal approvals already granted by Health Canada.
 - c. Global standards and practices in jurisdictions where these features are already enabled.
 - d. Safeguards that ensure users are encouraged to seek professional assessment when experiencing hearing loss, especially where symptoms are sudden, severe, one-sided, associated with pain, dizziness, drainage, or other medical concerns.

- e. Functional safety requirements including output limits, performance standards, user warnings, age restrictions, and consumer protection requirements.
2. That the Province of Ontario provide clear written guidance to manufacturers, platform providers, hearing care professionals, municipalities, and the public on the conditions under which federally authorized OTC hearing aid and assistive listening features may be enabled and used in Ontario.
3. That for this review the Province of Ontario be encouraged to consult with the following groups to ensure that regulatory modernization supports both user safety and accessibility goals:
 - a. Ontario Association of Professional Audiology Clinics (OAPAC)
 - b. Speech-Language & Audiology Canada (SAC)\
 - c. The College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO)
 - d. Accessibility organizations
 - e. Seniors' organizations and disability advocacy groups
 - f. Technology manufacturers, including Apple, and
 - g. Consumer protection and public health stakeholders
4. That the Province of Ontario be encouraged to work with technology manufacturers, municipalities, public-sector organizations, and accessibility stakeholders to support the implementation of modern assistive listening standards such as Auracast, enabling greater accessibility in public and private environments.
5. That a copy of this motion be circulated to Premier Doug Ford, Minister of Health Sylvia Jones, Minister of Seniors and Accessibility Raymond Cho, Associate Minister of Mental Health and Addictions Vijay Thanigasalam, Ajax MP Jennifer McKelvie, All Federal MP's of Durham Region Municipalities, Ajax MPP Rob Cerjanec, All Provincial MPP's of Durham Region, Association of Municipalities of Ontario (AMO), Ontario Association of Professional Audiology Clinics (OAPAC), Speech-Language & Audiology Canada (SAC), College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO), and Durham Region Municipal Accessibility Advisory Committees.
